He said Afriforum did not stop anyone from the flag, but instead denied it to be shown. The Equality Court heard the Nelson Mandela Foundation and the South African Human Rights Commission argue that the old flag is the most visible symbol of apartheid and white supremacy, and that its display is tantamount to incitement to hatred, while Afro-riforum "although he agreed that the flag should not be displayed". he argued that it should not be equated with incitement to hatred. Counsel for the South African Human Rights Commission, Wim Tregovoe SC, refuted the suggestion that the Julius Malema Kill the Boer case was relevant to the facts of the current case. "I can't exercise my racism against my gardener. Racial tensions remain high in South Africa, a nation affected by large economic disparities and facing a tough battle to alleviate unemployment and reduce crime. It's insufficient to force the court to declare that civil liability would likely occur". Currie said. and harassment". Judge Phisoas Mojapelo said.Two Afrikaans pressure groups, Afriforum and the Federation of Afrikaans Cultural Societies, had argued that banning the flag would undermine freedom of expression.The "flag of apartheid" comprises horizontal blue, white and orange stripes with three small flags à of Great Britain, the Orange Free State and the Republic of South Africa à in the centre. Flag à in 1994 with the end of apartheid.In his ruling, Mojapelo said that the order did not prohibit the display of the flag, but limited it to art and journalistic displays, the merits of which could be challenged in court.The Flag of Apartheid actually predates the formal promulgation of apartheid laws in 1948 by the then government. The adoption of the new flag of South Africa was followed by the approval of a constitution with laws that explicitly addressed racism and discrimination, had characterized the country for centuries.But 25 years after the segregation ³ and the government of the white minor under apartheid, it was Finished through a negotiated settlement, South Africa continues to grapple with racial tensions that, with the growing use of social media, have become more visible.In 2018, a white woman, Vicky Momberg, was sentenced to three years in prison after a video of her using a racial slur 48 times was widely shared on social media. Afriforum attorney Mark Oppenheimer said that an alternative way in which an act like this could be implemented was to impose a penalty for the use of the flag. (and also) unjust discrimination on the grounds of race... Á This is not disputed. Á he said. My opinion is that they should understand the emotion that those who support the sought order are going through. They are unable to say what the purpose of showing the flag is. We have not come here to ask Afriforum not to prepare their children to be racist. Oppenheimer said that Afriforum was not looking for an order that would specifically refer to the Black Monday farm killing protests, where the old flag was prominently displayed. It was hate speech, hurtful speech but the political market is able to deal with it.It hurts people on the basis of opposing groups. We have stated several times that Afriforum does not want to do anything to wave the flag".When asked if he needed to answer Oppenheimer's claim, Ngcukaitobi replied, "not my Lord, he doesn't need any answer." He said that what was under discussion was whether the hate speech took place as a result of the flag displays. He said the argument was an abstraction of the actual act of waving the flag and that it was a misunderstanding of different opinions. Ngcukaitobi said it was important to regulate speech that violated people's dignity, and it was important to regulate acts that promoted hate speech. It seems that the waving of the flag is ...dadlaugi ...dadlaugi od yet al ed 1.01 olucÁtra led somim©At ne oido la nÁicaticni eyititsnoc .ailpma odaisamed etmemelmis are euq ojïd eirruC .nÁicadnuF al rop adaticilos airotaralced nedro al erboS Á cÁ.lanigram osrucsid nu y erehw" ni yal snrecnoc nieht taht sretroper dlot steoR tsnrE OEC ytpued muroFirfA.jaepa ot rehtehw gnidiced erofeb tæx eht yduts yluferac dluow tub tnemegduj eht htiw deergasid ti dias .noititep eht desoppo dah hcihw .muroFirfA puorg sthgir snaakirfA tuB.gnidliub-noitan rof "kcoilb gndliub" a sa gnilur eht deliah .gnataH olleS .OEC sti .esuohtruoc eht edistuO".hceeps fo modeerf lufgninaem a ot sthgir ruo dna ytingid ot sthgir ruo .hceeps etah reffus ton ot sthgir ruo smriffa" noised eht dias .tnediserp detecele-yllicitarcomed tsrif s'acirfA htuoS fo ycagel eht eunitnoc ot pu tes .noitadnuoF alednaM nosleN ehtT- 'yrotciv lanoitaN' -.senif dna ecivres ytinummoc gnidulcni seiltanep lagel ecaf lliw sredneffO.dias eh .tseretni cilbup eht ni sesoprup citsitra ro cimedaca rof deyalpsid eb dluoc galf ehT.nab teknaib a ton saw noitibihorp eht dias .truoc ytilaue na dellac si tahw revo gnidiserp egduj truoc hgh eht .olepajoM.sehctam ybgur emos ta dna sgnirehtag lacitilop ta galf are-diehtrapa eht yalpsid ot deunitnoc evah slaudividni dna spuorg gniw-thgir tuB.galf ruolocitlum a yb tnemecalper sti dna ycarcomed fo tnevda eht htiw 4991 ni depmud gnieb erofeb "galf diehtrapa" eht sa nwonk ylediw saw ti .emiger ytronim-ethiw eht htiw deniwtretni.cilbupeR nacirfA htuoS eht dna niatirB .etatS eerF egnarO eht fo smelbme eht -- ertnec sti ta sgalf llams eerht htiw eulb dna ethw .egnaro fo sepirts eerht desirpmoc tl.ti dedeeccus taht acirfA htuoS fo cilbupeR eht yb dna .noimimod hsiirB a neht .acirfA htuoS fo noinU eht yb 4991 litnu 8291 morf desu saw galf remrof ehtT- nab teknaib a ton "-.evlier ot hsiw ton od dna morf yawa devom yeht taht noitasinomed .ytingidni .noitailimuh .noisserppo eht fo elpoep kcalb dnimer ot hsiw" galf eht deyalpsid ylicilbup ohw esohi dias egduj eht sremraf ethiw fo sredrum eht ta gnitsetorp snacirfA htuoS ethiw yb 7102 rebotO ni deyalpsid saw galf eht refa tsuT noitadnuoF alednaM nosleN eht yb truoc eht ot noititep a dewoilof gnilur eht."hceeps .nemuser . atcartsa are nedro al euq ed nÁicamrifa al arap esab aÁbah on y .soralc nare airotaralced nedro al arap sohceh sol .oitrasecen otmematropmoc le ralugur arap avtaralced nedro al ocah lanubirt le euq odnatnugorp somatsE" .ojïd lbotiakucgN düticilos al a onopo es .otnusa le ne sodatseucne soremirp sol nos seneitq .muroFirfA ybbol ed upurg IE .satsicar omoc sojih sus a raraperp edeup muroFirfA euq niced oirotamalfni se" .satsicar nos RI ed sozÁin sol .diehtrapa led nÁicararperp al ed nÁicararperp le raraperp nedeuP .ojïd ." orenidraj nu eneit ragoh adac euq somebaS .aitsugna asuac diehtrapa led arednab al ribihxe euq ed otneimiconocer nu aÁbah euq aÁcerap .aroha atсах etroc al a odatneserp lairetam le edsed euq ojïD .ocitÁArcomed odatse nu ne acirfÁduS ed nÁicamrofsnart al y sodagerges etnemaiverp selaicir sopurg sol ed dadinu al razilobmis acsub 4991 ed arednab al .so±Áa 97 ed dade al a oyam ne ÁAirum neiuq .llenworB kcirederF rop oda±ÁesiD .acits©Ámod arodajabart anu eneit ragoh adac euq somebaS" .ailpma odaisamed are nÁicadnuF al rop adacsub nÁicaralced al euq ojïd .eirruC naI .sodatseucne sodnuges sol ed odagoba IE ."diehtrapa led arednab al odnacifirolyg riuges arap nÁÁzar yah on .acir©ÁmA y ainameLa ne raicnuned nedeup es adaredefnoc arednab al y izan arednab al is" euq .acirfÁduS airtarifA le rop aiglatson reiuglauc ed nif le racidni aÁrebed ollaf le euq ojïd arutluC y setrA .setropeD ed oiratnemalraP ©ÁtimoC IE ." oido ed osrucsid le y nÁAiserpxe ed datrebil al ertne adajubid res ebed aenÁl al.
